<b>VHF Radio</b>	Ja, Raymarine DSC (2022)	<b>Radar</b>	No

## Reline Classic 12.25 AC

The Reline Classic 12.25 AC "Out of the blue" was built in 2008 at the request of the first owner and put into service from 2009; Since then, it has been lovingly maintained by the first and current second owners and kept in top condition. The ship is fully equipped and designed as a true family yacht with three cabins and seven fixed berths, making it ideal for relaxed trips with the whole family. Her chic appearance on the water immediately stands out because of the beautiful color combination and the fully enclosed tent over the aft deck.

When you step on board, you will immediately notice the neat finish and comfort: both the gangway and the aft deck were covered with Flexiteak in 2015, which enhances the appearance of the ship and requires little maintenance. The spacious aft deck is a perfect place to relax with family and friends; The current owner had a custom-made teak bench installed, part of which can be cleverly sliding, so that access to the rear entry and the swimming platform remains free. From the steering position on the aft deck you have an excellent view of the ship and its surroundings and of the recently replaced navigation and control equipment.

Through the spacious entrance and the comfortable, lazy staircase you reach the cabin, where a sleek but warm mahogany nautical interior welcomes you. On the starboard side there is a comfortable sofa and on the port side there is plenty of storage space and a television that emerges electrically from a cupboard. In the bow you will find a cozy dinette and a spacious galley; Further forward in the bow is a cabin with sleeping places for three people.

In the stern, the available space has been used very efficiently: a separate toilet room with electric toilet and sink and a separate bathroom with shower and sink has been realized, plus two separate cabins. The owner's cabin has a generous double bed, plenty of closet space and a hatch for extra light and ventilation. The other cabin is equipped with a bunk bed.

The spacious engine compartment includes a generator and a 110 hp Volvo Penta; together with the powerful bow and stern thruster, these bring the Out of the blue to any desired destination. All installations are neatly concealed and yet easily accessible. "Out of the blue"; a sturdy, timeless yacht with a luxurious look.
