---

<b>Depth sounder</b>	Yes, Raymarine	<b>GPS</b>	No
<b>VHF Radio</b>	Yes, Shipmate RS8300 + AIS	<b>Radar</b>	No

## SK Kotter 1300

A very well maintained, robust, spacious and practically laid out SK Kotter 1300 AK with wide gangways, high sturdy guard rail and spacious aft deck with outside steering position.

Through a wide entrance you enter the spacious, open saloon with semi-circular sofa and plenty of cupboard and storage space. The large tinted windows give you a good view of the outside and they also provide a lot of light. In the bow you will find a U-shaped dinette, a spacious galley, bathroom with toilet, sink and shower and the lockable guest cabin with 2-person bed. At the back of the SK cutter is the spacious owner's cabin with freestanding bed, separate toilet room with sink and separate bathroom with shower and sink.

Sailing is very easy with this SK Kotter 1300. Few steering corrections are needed to keep the cutter on course and with a 159 HP Vetus -Deutz and the hydraulic bow and stern thruster, you can get the SK Kotter on any desired berth. And then the Lady-M is also equipped with a spud pole. The advantage of this is that you can choose your own berth and are not dependent on, for example, a jetty or quay wall, moreover, the "scratching" as when using an anchor does not occur with a spud pole.

In short, a beautiful, sturdy and carefully maintained ready-to-sail cutter with which the current owners have made many beautiful trips through Europe
