Depth sounder	Yes, Autohelm ST50	GPS	Yes, Garmin Oregon 400t
Radar	No		
VHF Radio	Yes, Simrad RS 8300 (antenna not connected)		

From 1st owner a complete Smelne Ambassador. In the front a very spacious round seat, large kitchen with electric stove and lots of storage space. Saloon with L-shaped sofa and closet. In the stern owner's cabin with an almost free standing bed, a spacious bathroom with shower and electric toilet. The "Apollo" is equipped with, among other things, solar panels, a generator, central heating, air conditioning, tinted glass, holding tank and because of the 2 engines and bow thruster, maneuvering is quite easy. In the bow and in the saloon the headroom is 2.00 meters and in the stern the headroom is 1.96 m. The aft deck is completely covered so that you can enjoy a wide view even in less beautiful weather.
