<b>VHF Radio</b>	Yes, 2x Shipmate RS8300	<b>Radar</b>	Yes, Raymarine

Stevenvlet OK 13.10

Very neat round bilge joggled motor yacht with a powerful 135 hp Perkins engine. The beautiful Gillissen design is well combined with convenience such as the heavy stainless steel railing, large open cockpit and wide gangways. The latter are finished in teak, as is the floor in the open cockpit. The enormous cockpit offers access to the storage area through 2 large hatches. The 4 folding doors provide access to the spacious saloon where, among other things, there is a spacious settee, cupboards, steering gear and a crew chair. A few steps lead to the galley located to starboard and to port the refrigerator with freezer and combi microwave as well as access to the bathroom with toilet, sink and washing machine. In the front is the owner's cabin with freestanding double bed and access to the separate bathroom with shower and sink. The entire interior is beautifully panelled and finished in teak.

A very sturdy, heavily built vlet with, among other things, tinted double glass, generator, bow and stern thruster and electric bow and stern anchor.
