Heating	Yes, Eberspracher (not in use)	Lavatory	Yes, electric

NAVIGATION

Depth sounder	Yes, Seafarer	GPS	No
VHF Radio	Yes, Shipmate RS8300	Radar	No

Super Lauwersmeer Kruiser 1150

Everything shows that the "Albatros" has been lovingly maintained and cherished by the current owners. Whether you look at the exterior or the interior the age of the "Albatros" cannot be traced. A tough, classically lined and solidly built motor cruiser from a renowned Dutch shipyard.

The layout is as you can expect from such a motor cruiser; in the bow a cabin with V-bed, the spacious dinette and the galley. In the salon an inside steering position with cabinetry and an L-shaped settee. In the stern the bathroom with toilet, sink and shower. The owner's cabin with double bed and plenty of closet and storage space. The "Albatros" is equipped with a 120 hp Fiat Aifo engine and 10 hp bow thruster. As you can expect from a Super Lauwersmeer, the "Albatros" also has fine sailing characteristics such as course keeping and easy turning.

In 2020/2021 the Super Lauwersmeer cruiser 1150 was completely painted and because the cruiser has a berth in a boathouse she still shines as if she was painted yesterday.
