Super Lauwersmeer kruiser 1250 AK

Neat cruiser from well-known Frisian yard, this Super Lauwersmeer has a front cabin with two V-beds and two higher cabinets at the headboards.

On port side is the galley with 4-burner gas stove, sink, refrigerator with freezer and lots of storage space. Across from this is a dinette (also extra berths).

In the salon on the port side is the interior steering and a closet. On the starboard side is an L-shaped settee with a (chart) table that now serves as a TV cabinet. An opening center window and roof hatch provide additional ventilation in the summer. The ship is equipped with dark tinted glass.

In the stern there is a toilet with shower room on the port side and a "laundry room" on the starboard side, where a 2nd toilet was first installed, but is now equipped with a washing machine and sink. In the stern is the owner's cabin with a spacious double bed, plenty of storage space and an escape hatch in the transom.

On the spacious aft deck is a central steering position, offering good visibility all around, aft on the aft deck are 2 bucket-boxes with connecting piece and cushion set with backrest. In 2022 there is a new sprayhood with fully lockable aft tent installed.
