From day trips on the Frisian lakes or Loosdrechtse Plassen to vacations to England, France or Scandinavia. With this Vacance Solide 435 you can really go anywhere.

This boat, which cannot be distinguished from new, is a one-of-a-kind all-rounder that will take you safely, comfortably and stylishly to your destination on both inland waterways and the sea.

Safe, because unprecedentedly equipped

This yacht is exceptionally well-equipped. It has hydraulic systems for bow and stern thrusters, anchor and mast equipment. It is also equipped with two engines, extensive navigation options, stabilizing fins and a powerful generator. With also a day tank and low-mounted fuel tank, you couldn't be safer sailing. Wherever and whenever you want.

Comfortable, because cleverly designed

CV, air conditioning and double glazing. But also a spacious kitchen, salon, aft deck and swimming platform. And what about two bedrooms with free-standing beds and a private bathroom! Although the ship is 13.20 meters long, you would imagine yourself to be on a 15 meter yacht. Due to the clever layout of the yacht you will experience space and comfort everywhere.

Stylish, because carefully maintained

On the attractive cherry wood of the interior, on the teak deck and even on the stove. You will not find a scratch, because the current owners have been extremely careful with their yacht. Not least by taking excellent care of it with a covered berth and maintenance after every sailing season.

Ready-to-go, because recently renewed

You are getting a ready-made yacht in your hands that has been fully serviced. Just turn the key and enjoy! Also because the yacht was renewed this summer. The lower deck was sandblasted and rebuilt, the entire yacht was painted and the teak deck was sanded again.
