The Valkkruiser Content is a sporty, articulated motor yacht. These cruisers are known for their large, spacious aft deck and plenty of interior space. This cruiser had a major refit in 2015, both technically and in terms of options.

This neat and well-maintained Valkkruiser Content has a guest cabin in the bow with a spacious 2-person bed and private toilet. A spacious galley and a cozy U-seat as a dinette. The spacious saloon has a comfortable sofa to starboard with plenty of storage space underneath. On the port side is a cupboard wall that continues to separate the saloon and the bow without losing contact with both rooms. In the stern is the spacious owner's cabin with freestanding bed of 200 x 170 cm! There is also a spacious washbasin in the owner's cabin on the port side and a shower cabin on the starboard side with a toilet next to it. The entire interior is light in color and you have a lot of light through the many windows.

The Valkkruiser Content is suitable for a large sailing area and has fine sailing characteristics, is easy to maneuver, steady on course, no annoying vibrations and a 120 hp strong Iveco engine that runs like a "charm"

It is not for nothing that the current owners have given the Valkkruiser Content a new name, namely "Perfect".
