Valkvlet 10.60 OK

Tough Valkvlet in good maintained condition. Painting and paintwork is from 2015, technically in very clean condition. In 2022 the DAF engine was removed from the ship and the engine room was cleaned, repainted and the engine insulation renewed. Also, the electrical wiring in the engine room was also renewed in 2022. A vlet with a spacious layout, very comfortable and suitable for both inland and confined outdoor waters. A very neat vlet with spacious open cockpit whose teak decks were replaced with flexiteak plastic decks in 2015. The woodwork in the open cockpit needs normal regular maintenance.
