Valkvlet 10.60 OK/AK

From first owner, a beautiful traditional Valkvlet in a good condition and always in a covered berth.

The unprecedented stiff round bilge hull makes the Valkvlet suitable for a large sailing area. Crossing to Scandinavia? No problem, this ship has experience. But also due to a shallow draught and headroom of 2.40 m. the Zeeleeuw feels completely at home on the inland waterways.

In 2013 P. Valk in Franeker has carried out major maintenance on the ship. The superstructure, hull and the underwater hull have been taken bare and completely rebuilt with a new paint system. All the woodwork outside and the cockpit has been repainted. The steelwork has been completely checked and where necessary replaced. The old teak deck has been replaced by a whole new teak deck! And just now the ship also got a new Leguan.
