Valkvlet with spacious open cockpit that can be closed by means of a cockpit tent . The open cockpit is equipped with 2 L-shaped benches with storage space and a "basement". The 4 opening cockpit doors ensure that the open cockpit can easily be involved in the salon. The salon is laid out with settee, cabinetry, chart table hanging locker and steering position. In the bow is the galley, washroom with shower/toilet and entirely in the bow a V-bench with table that can also be converted into a double bed. The aft cabin is accessible from the open cockpit and is equipped with two single beds. Throughout the boat, all spaces are practical with plenty of closet and/or storage space. Optically the Valkvlet needs some love.
