<b>GPS</b>	Ja, Raymarine GS95 glass bridge MFD9 2019		

A Valkvlet where you can step on and immediately start enjoying a wonderful time on the water.

A Valkvlet where you can step on and immediately start enjoying a wonderful time on the water.

In 2006 there is a new diesel engine and hot water boiler installed. In 2016 the vlet was completely painted and the teak deck renovated, among other things.

Since then, Valkvlet has had one or more renewals/improvements made every year. For example, the vlet is equipped with a stern thruster, double fuel filters, electric toilet, new refrigerator, new navigation equipment, new heating, solar panels, electric ironing mast etc.

In short, a beautiful, solid, timeless and complete Valkvlet 970 OK!
