Valkvlet 970 OK/AK

The Valkvlet 970 OK/AK is a very handy round bilge built motor yacht suitable for a large sailing area. Her headroom of 2.40 m makes her very suitable for many smaller canals but a crossing to the Wadden Islands also belongs to the possibilities. This Valkvlet has a separate cabin in the front ship with a V-bed which can be converted into a large double bed by means of a partition, galley and toilet. In the salon on the port side is the steering gear and a closet, on the starboard side is a sofa (also extra bed). Through the 4 French doors you will enter the spacious open cockpit with benches and "cellar". In the aft cabin you will find 2 single beds. In short, a fine family boat with 2 lockable cabins and an overhauled Volvo Penta 6 cylinder (after overhaul approx. 300 operating hours).
