Cooker + type + burners	Yes, 2-burner gas (electric ignition)		
Freezer	No, but we do have a freezer compartment in the refrigerator		

Very well maintained Van der Hulst cruiser with beautiful cherry wood/mahogany paneling and aluminum windows. The "My Way" has been owned by the current owner for 18 years and has been lovingly maintained. Over the years there has been much renewed and improved on this cruiser, so she is equipped with a generator, solar panels, CV diesel heating, bow and stern thruster etc.

In the front of the cruiser is a double bed with storage space, a kitchenette with 2-burner gas stove, worktop and plenty of cupboard space. Opposite the kitchen is a very spacious and neat toilet room. In the salon, the inside steering position and benches have been removed making the salon very spacious with room for a large table with 4 separate chairs. The salon is accessed through the 2-side doors and through the aft entrance of the raised aft deck. In the aft cabin there is a spacious double bed and also plenty of storage space here. The cruiser has spacious gangways and a generous aft deck. A cruiser that will certainly surprise you in terms of interior space, sailing characteristics but very much about the state of maintenance!!!!
