VHF Radio	Yes	**Radar**	No

Waalkotter

This beautifully proportioned Waal Kotter 1020 OK, named Njord, is a real head-turner and is known for its excellent handling, even on open water. It is evident throughout that the cutter has been maintained with love and craftsmanship. The exterior exudes neatness, and inside, as well as under every floorboard, everything is clean and well-maintained.

The cutter is equipped with a reliable 106 hp Volvo Penta engine, housed in an engine compartment so tidy you could walk in wearing your best clothes.

The interior is cozy, warm, and characteristically furnished. In the foredeck, there is an open forward section that serves as a spacious berth; next to it is a head, a cozy seating area with a table, and a practical galley. In the saloon, you'll find a helm station and a bench with good all-around visibility, making the interior both functional and inviting.

Through the French doors, you enter the open cockpit, which is equipped with a cockpit cover and a bench seat. From the open cockpit, the wide gangways are easily accessible. The Waalkotter has two folding masts, the aft one of which is equipped with a staysail, making sailing on open water extra comfortable. This cutter is ideally suited for both inland waters and the coast and offers a perfect combination of seaworthiness, comfort, and style. Ready to set sail!
