Galley	cooking facilities (1-burner gas)	**refrigerator/box + type**	Yes, 2x (2025)
Heating + type	No		

Waterspoor 808 Open, a very complete, fast sailing modern sloop with classic lines in a very chic color scheme. The Waterspoor 808 has a sunken cockpit in the front. With in the front a (storage) space with pump toilet, this space is lockable. Furthermore, a seating area with ergonomically shaped benches and backrests, a rinsing facility, cooking facilities and two (new) refrigerators.

The engine is located in a specially insulated engine box that is finished with Topdek, just like the entire sloop.

The centrally located steering console includes Simrad navigation equipment, large carbon steering wheel. From an adjustable luxury helm seat that folds away you have a good view all around and this is also the passage from cockpit to bathing platform. Sailing the Waterman 808 is a pleasure, not only is docking easy thanks to a bow thruster, but the Zipwake Dynamic Trim System also ensures comfort on board. Whether sailing at high speed or cruising leisurely, you experience less pounding, rolling and unwanted motion. Moreover, it also reduces fuel consumption, and all automatically. This then is one of the many extras this Waterspoor 808 Open has.
